

§ 780.904

the described transportation and preparation for transportation of fruits or vegetables, and subsection (B) which exempts employees engaged in the specified transportation of employees who harvest fruits or vegetables. The transportation and preparation for transportation of fruits and vegetables must be from the farm to a place of first processing or first marketing located in the same State where the farm is located; the transportation of harvesters must be between the farm and a place located in the same State as the farm.

§ 780.904 What determines the exemption.

The application of the exemption provided by section 13(b)(16) depends on the nature of the employee's work and not on the character of the employer's business. An employee is not exempt in any workweek unless his employment in that workweek meets all the requirements for exemption. To determine whether an employee is exempt an examination should be made of the duties which that employee performs. Some employees of the employer may be exempt and others may not.

§ 780.905 Employers who may claim exemption.

A nonfarmer, as well as a farmer, who has an employee engaged in the operations specified in section 13(b)(16) may take advantage of the exemption. Employees of contractual haulers, packers, processors, wholesalers, "bird-dog" operators, and others may qualify for exemption. If an employee is engaged in the specified operations, the exemption will apply "whether or not" these operations are "performed by the farmer" who has grown the harvested fruits and vegetables. Where such operations are performed by the farmer, the engagement by his employee in them will provide a basis for exemption under section 13(b)(16) without regard to whether the farmer is performing the operations as an incident to or in conjunction with his farming operations.

29 CFR Ch. V (7-1-11 Edition)

EXEMPT OPERATIONS ON FRUITS OR VEGETABLES

§ 780.906 Requisites for exemption generally.

Section 13(b)(16), in clause (A), provides an exemption from the overtime pay provision of the Act for an employee during any workweek in which all the following conditions are satisfied:

(a) The employee must be engaged "in the transportation and preparation for transportation of fruits and vegetables"; and

(b) Such transportation must be transportation "from the farm"; and

(c) The destination to which the fruits or vegetables are transported must be "a place of first processing or first marketing"; and

(d) The transportation must be from the farm to such destination "within the same State".

§ 780.907 "Fruits or vegetables."

The exempt operations of preparing for transportation and transporting must be performed with respect to "fruits or vegetables." The intent of section 13(b)(16) is to exempt such operations on fruits or vegetables which are "just-harvested" and still in their raw and natural state. As explained at the time of adoption of the amendment on the floor of the House, the exemption was intended to eliminate the difference in treatment of farmers and nonfarmers with respect to exemption of such "handling or hauling of fruit or vegetables in their raw or natural state." (See 107 Cong. Rec. (daily ed.) p. 4523.) Transporting and preparing for transportation other farm products which are not fruits or vegetables are not exempt under section 13(b)(16). For example, operations on livestock, eggs, tobacco, or poultry are nonexempt. Sugarcane is not a fruit or vegetable for purposes of this exemption (*Wirtz v. Osceola Farms Co.*, 372 F. 2d 584).

§ 780.908 Relation of employee's work to specified transportation.

In order for the exemption to apply to an employee, he must be engaged "in the transportation and preparation for transportation" of the just-harvested fruits or vegetables from the
